

Dear  
My  
Teacher  
6

SHE DIED  
OF LUNG  
CANCER. I  
WAS OLD  
ENOUGH  
TO UNDER-  
STAND WHAT  
HAPPENED.

I DON'T  
HAVE A  
MOTHER.

that's your  
mother?

But  
I was  
lonely.

WE HAD  
A PAIR  
SO IT WASN'T  
A PROBLEM  
FOR MY  
DAILY LIFE,

HE ONLY  
CAME HOME  
A FEW TIMES  
PER YEAR  
I THINK.

MY FATHER  
WAS A BUSY  
PERSON.

I SPENT TIME  
LOOKING AT  
PICTURES  
OF MOM

EVERY  
TIME  
I FELT  
LOUDLY

"I  
WANT TO  
PROTECT  
HER."

"I  
WANT TO  
LOVE  
HER."

# Dear My Teacher 6

## SUMMARY OF PREVIOUS EVENTS UNTIL VOLUME 5:

I will confess to Kaoru-sensei once more at the

graduation ceremony and I will tell her my true feelings.

I will keep this promise deep in my heart. I want to deepen  
our relationship while staying in a teacher-student relationship.

I will overcome the numerous obstacles and reach

the spring of my emotions.

Professor Kaoru (27)  
High school teacher very popular  
with the students, her overly  
serious behavior is the only  
flaw in her perfect demeanor

Reiko Mikoto (17)  
Tomboy high school student,  
rarely compromised, but right now  
her feelings towards Kaoru  
are quite straight

### (CHARACTER INTRODUCTION)

Kotonawa Kenka (21)  
Kaoru's best friend,  
an obliging and  
good listener

Saori Shouji (17)  
Classmate of Mikoto  
she usually know Mikoto  
would be a handful, but

I thought for sure that the university you'll go to is decided by the recommendation of the school.

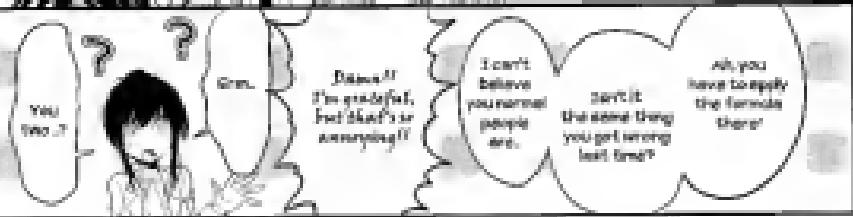

APOL-OGIZE  
TO THE  
NORMAL  
PEOP-LE!!!

APOL-OGIZE  
TO THE  
NORMAL  
PEOP-LE  
WHO STUDY  
DES-PER-  
ATE-LLY!!!

Apol-  
ogize?

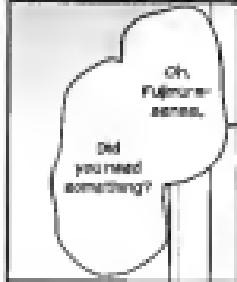

T-  
Today  
is the  
last day!

blush

Even though  
continuously  
she instantly said  
she wanted to  
go to a law  
school.

she changed  
her first pick  
all of a sudden.

!!

What  
department did  
she change to?

Hmm

Ah.

I was  
worried even  
for coach-san  
because it was  
already that  
close to the  
deadline.

Ah,  
can't  
take

at the same  
university, but

the process is  
slightly different  
depending on your  
department

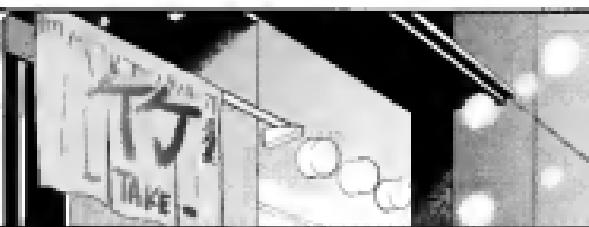

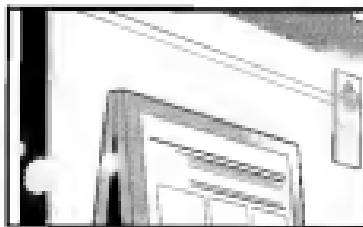

this and

checklist  
checkmark

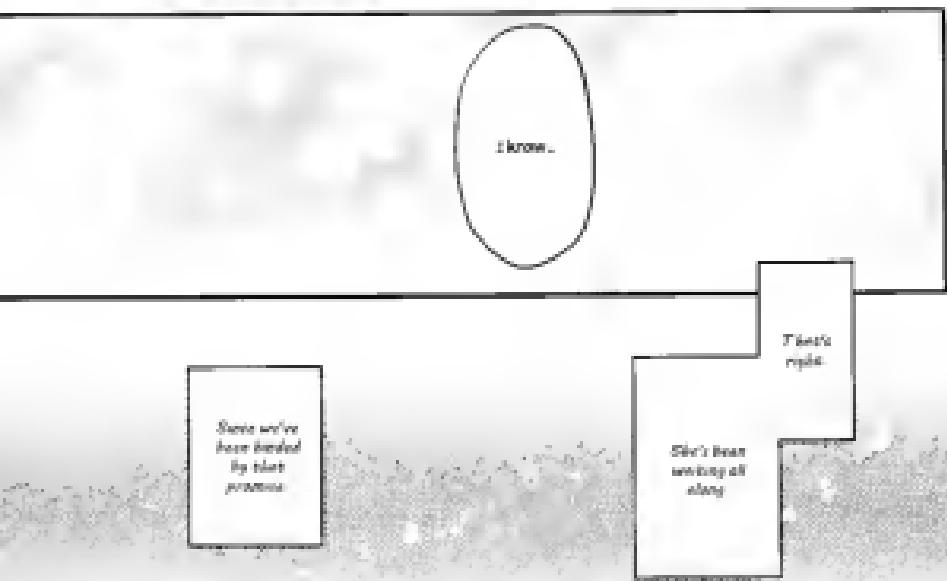

!

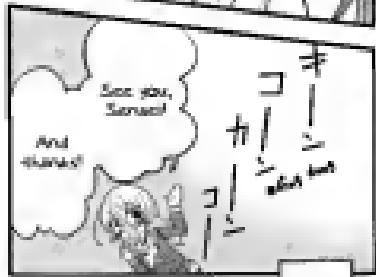

Was I awkward?  
Am I going  
over the line  
at a teacher  
student sexual  
relationship?

Sora! You are  
too sensitive!

A  
small rule  
violation  
before  
graduation

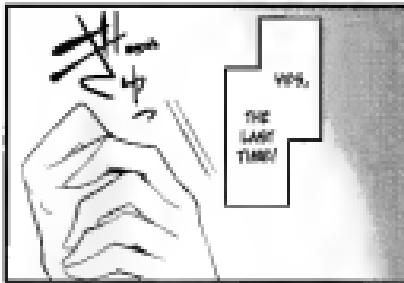

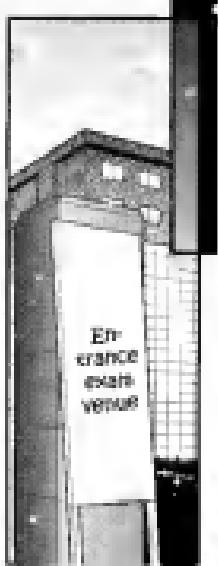

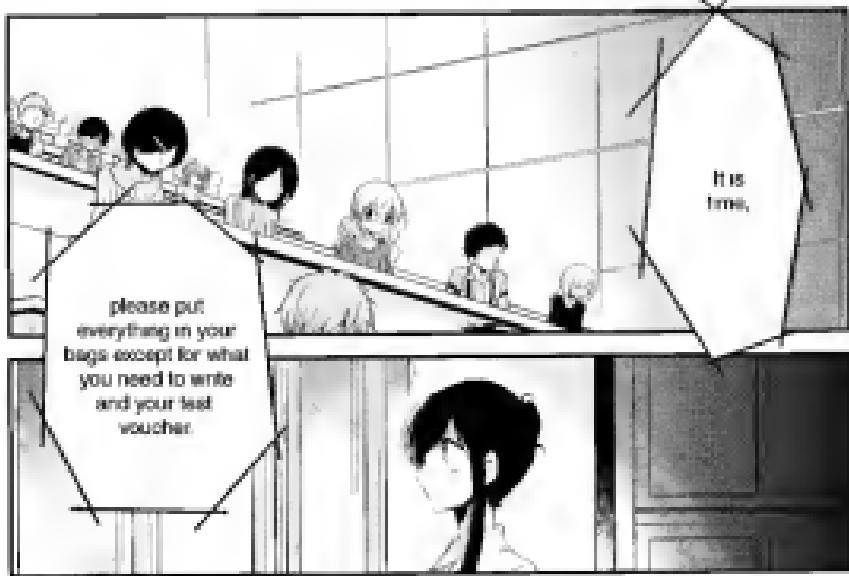

I will  
take care  
of this  
forever!

Thank you,  
Koora-  
sensei!

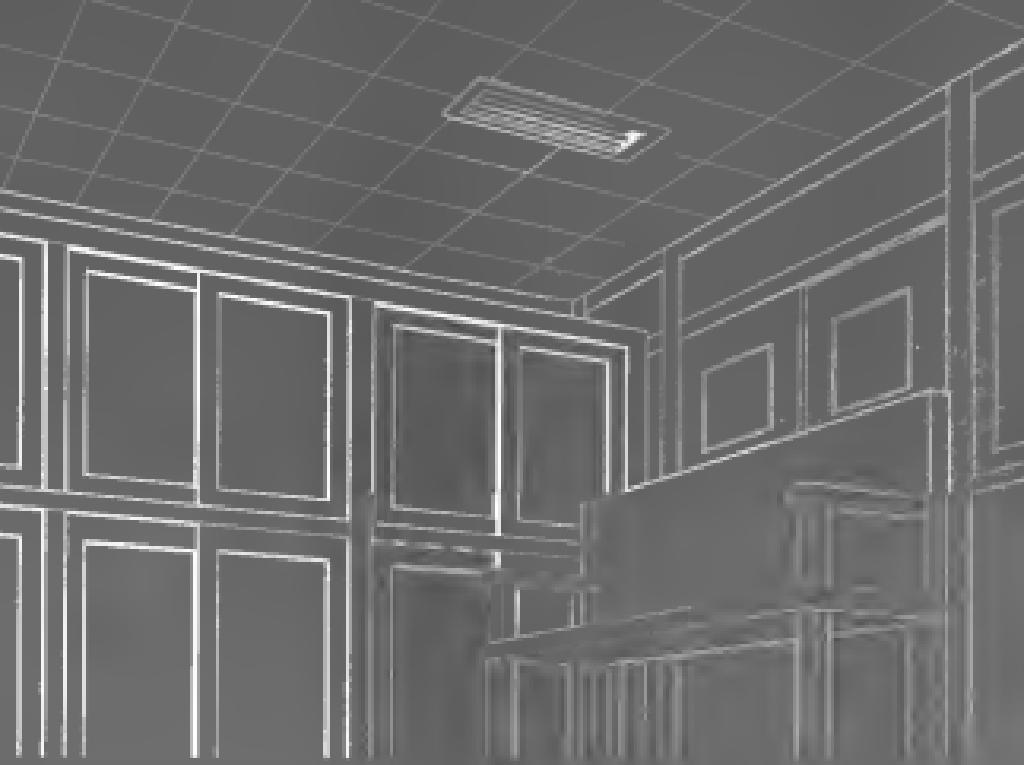

Even  
after I  
graduate,

For my  
whole  
life!

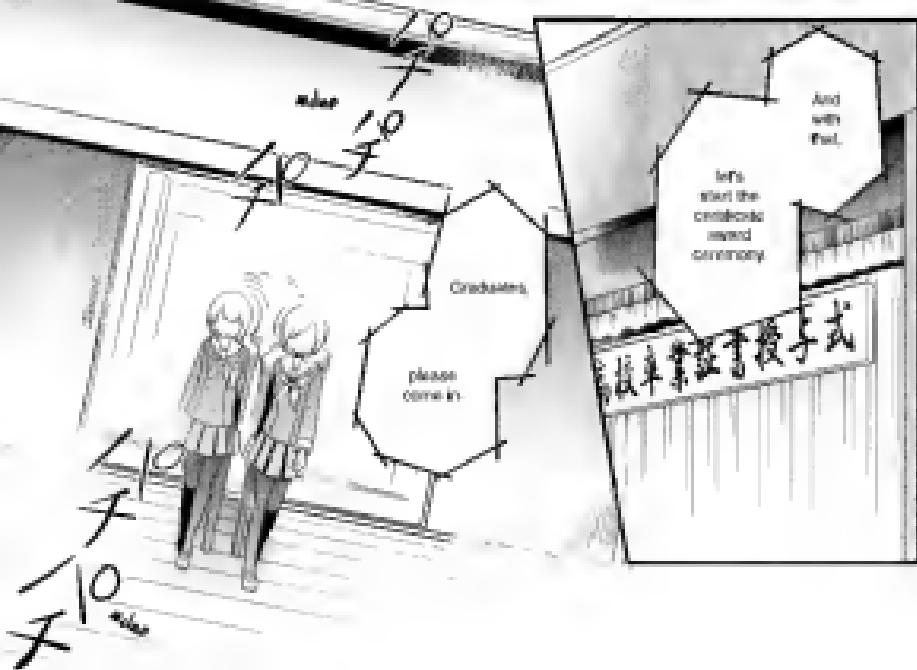

The test  
starts now!

Dear My Teacher 6

IN A  
BLINK OF  
AN EYE...

IT WAS  
REALLY

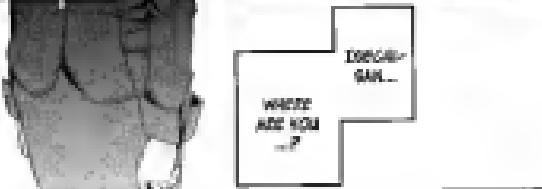

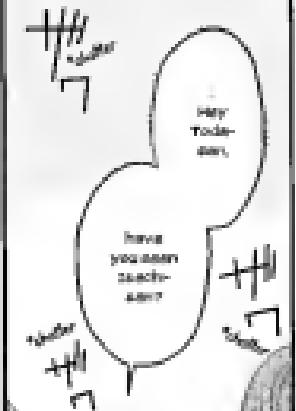

we've been  
looking  
forward to  
for a long  
time.

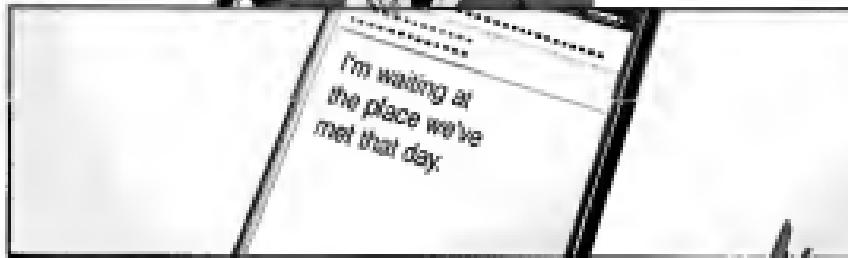

Today is  
the day.

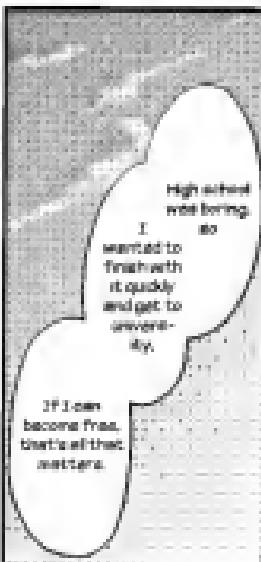

It is customary in Japan to give the second button of your uniform to the person you care the most on graduation day, usually your best friend to ask for the button before leaving it.

I didn't  
even try to  
think about  
that.

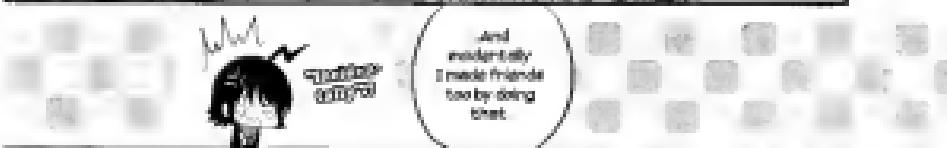

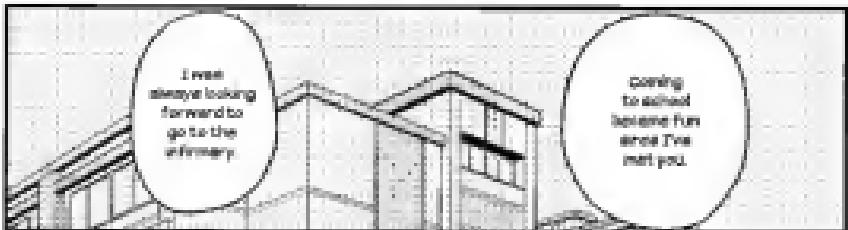

I don't think  
at all about how  
I wanted to live  
in the future.

But  
since  
I've met  
you.

!  
I want to  
be someone  
who can  
support  
you.

to be  
of help  
to you

I wanted  
to realize  
I want to  
become an  
adult.

That is  
why I felt like  
I wanted to  
copy you in it,  
Koton-  
sensei!

all of that  
is thanks  
for you!

The school  
I started so  
much became  
something  
I liked.

like you,  
Koton-  
sensei

Obviously,  
I can't become a  
kind and righteous  
model teacher

desire...

I can  
understand  
the feelings of  
kids who don't fit  
in the school  
system.

But  
because  
I was a  
problem  
child,

This is  
the first step  
towards me  
being an adult.

With  
that said,  
I changed  
department  
with a plan  
in mind.

This  
was the  
intended  
objective

Lots of  
changes may  
change from  
now on.

I want to  
become a  
teacher  
like that

I want to  
get close to  
the students,  
I want to  
support  
them

Thank you,  
Sensei!

I'm  
really glad  
I met you

Regardless

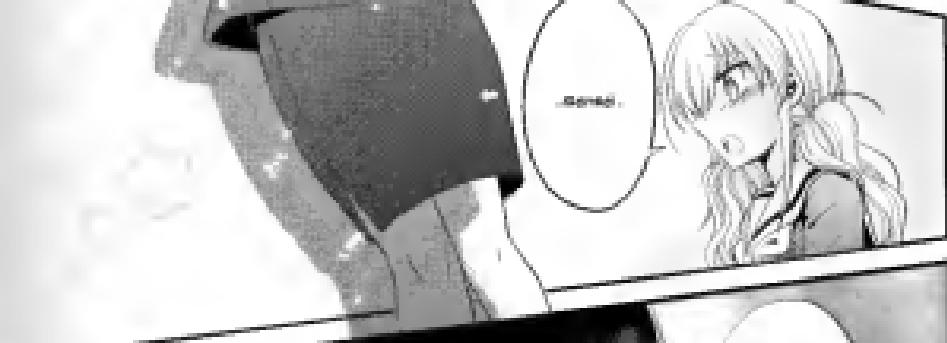

Do a person  
like me

You can't  
make a hand,

what you  
really want.

A person  
can't  
make  
a hand

It really was..

Meeting you  
was a blessing.

remember  
the promise  
we've made  
that day?

Sensei,  
do you

I will  
confess

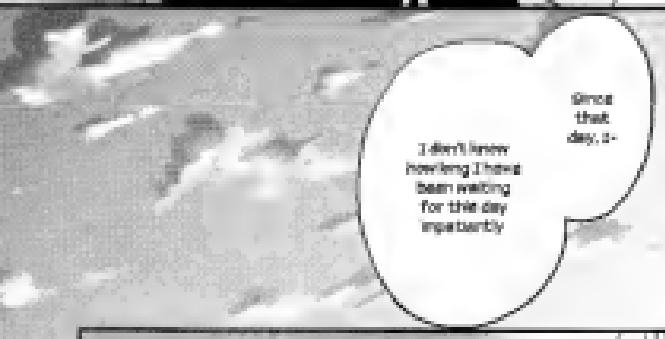

to Keira-  
sensei once  
more at the  
graduation  
ceremony.

It's not fun  
I can't forget  
that!

and I will tell her  
my true feelings!

I don't know  
how long I have  
been waiting  
for this day  
impatiently

Since  
that  
day, I-

I was  
waiting  
too!

For a  
very,

very  
long

Kaoru-san,

Kaoru-san,

I have graduated!

I am just myself,  
Izachi Mikoto

I am me.

I'm not a  
student of  
this school  
anymore.

I love you too.

To be continued...  
Dear My Teacher 7～続く

Hello, nice to meet you. I'm Aichi.  
Finally we've reached volume 6 and the confession:  
The publication was a bit late,  
so sorry for making you wait twice. It was long  
with the we're finally at the first step  
for the Nakoto-kaeru story, but this is not the end.  
I may have said that in the past but I'm continuing  
Maybe I will draw 10 volumes.  
Including the extra stories there is still a lot I want to draw,  
so please keep up with me, I would be pleased.  
Before I run out of lines, I would like to give a big thank you  
to everyone who gave me feedback on Pixiv and Twitter,  
it's always a stimulus for me to receive those.  
The fellowship of these two was pretty awkward,  
but from now on, if you care for these two warmly,  
it would make happy.  
And finally on this note, thank you sincerely  
for reading until this volume.

Aichi
